

## **Kitesurf Instructor Training**

### **General**

All BKSA kitesurf Instructor Training Courses (ITC's) are run in conjunction with the British Kitesurfing Association (BKSA) and are open to all kitesurfers of a suitable standard of riding proficiency / experience. (Details of this are attached).

The aim of the BKSA Level 1 ITC is to produce good, competent, keen and professional kitesurfing instructors. The emphasis on the course is around safety, communication skills, professional attitude and conduct as an ambassador for kitesurfing and the BKSA.

The BKSA ITC the most comprehensive and up to date ITC which includes the entire BKSA teaching scheme and career path and details on working in the UK and overseas. The syllabus forms the core of the course package with further areas that include foil training as well as single skin kites, further safety inputs and the legal and administrative requirements an instructor must be aware of when setting up their own school within the UK.

### **Enrolment requirements**

Riding proficiency / experience requirements are attached to this fact sheet by way of a questionnaire which must be completed and returned to the BKSA. Further to this all candidates must possess:

- A valid RYA Powerboat Level 2 certificate or above
- A valid First Aid qualification
- 12 hours of Shadow teaching experience at a BKSA school

The BKSA can put you in touch with centers for training in both of the above – this training will usually be done preceding the start date of the ITC, and lasts for 3 days.

### **Course Duration**

The course is delivered over 6 days although often the 6<sup>th</sup> day is undertaken during two evening sessions, concluding the course on the end of the fifth day.
